

Press Release
December 10, 2007
Wayne ARC—Tracy Clingerman
Director of Development
331-7741 ext.347

The holidays can be an overwhelming time for many families served by Wayne ARC as they often struggle to simply meet day to day obligations. Thanks to many generous contributions made by the local business and civic community this year, the Wayne ARC Medicaid Service Coordination Department was able to create 58 baskets of food and feed 250 individuals on this holiday season. A committed team of MSC staff solicited for donations, assembled and delivered the food baskets in addition to performing their daily duties. This was a tremendous effort under the direction of the program's director, Joanne Hicks and spearheaded by Medicaid Service Coordinator, Katie Anderson. Many thanks to the following businesses and organizations for providing the goods, services and funding necessary to guarantee the success of this project : **Alpco Recycling Center, Lyons American Legion, the Apple Shed, Secor Lumber, Herman Brothers, Inc., Lyons National Bank, Hen House Country Store, Mike Barnard Chevrolet, Heluva Good Cheese, Graybill Real Estate, Carl's Pools, Lyons Veterinary Clinic, St. Patrick's Church - Macedon, Furman Communications, Marshall Farms, Del Rossa Ford, First Baptist Church of Macedon, Palmyra Moose Lodge 1420, Inc.**

Wayne ARC is a not-for-profit organization serving over 1800 individuals of all ages throughout Wayne County with developmental disabilities. For more information on Wayne ARC, call 331-7741 or visit us on the web at www.waynearc.org.
